Reflecting on the Past

One can look back over the 25-year history of Great Plains Lutheran and see clearly how God in his grace has blessed this ministry.

- A long-standing passion for Christian education
- Years of prayers and effort invested in making GPL a reality
- From 23 to 125 students
- Moving from rented facilities to a developing campus
- Growth in academic programs and co-curricular offerings
- An expanding faculty and staff
- From 8 original graduates to 500 total graduates

Rejoicing in the Present

God's grace is also evident as we look at Great Plains Lutheran today.

- A climate that promotes trust and accountability, safety and a family atmosphere
- Academic offerings that serve students with a wide range of gifts, abilities, and interests
- Options in music and the arts that develop talents and confidence
- Athletic endeavors that impart teamwork and leadership skills
- Dormitory life that promotes growth in responsibility and interpersonal relationships
- Regular Bible study and worship that bring God's grace home

Looking to the Future

We plan for the future knowing the grace of God and his desire to bless us, always striving to do all to the glory of God. We envision:

- Updated and expanded facilities
- Increasing opportunities to connect with those who do not yet know the grace of God
- A school that is equipped and prepared to change lives with the unchanging Word of God

In this anniversary year, we invite you to celebrate God's grace with us –
