

GPLHS Concessions 2024-2025

Participation Guidelines

The help of all GPL families is needed as we host events, serve those in attendance, represent and promote our school, and provide support for numerous student programs through a well-functioning concession stand.

Because all students benefit in some way from concession efforts, we ask that all school families be involved in this venture. Families with students in sports, which benefit more extensively from the proceeds of the concession stand, are asked to play a greater role. The following arrangement will be used for this year's volleyball and basketball seasons.

- Each school family, unless prohibited by distance, is asked to fill at least one turn of service.
- School families with students participating in any sport throughout the year are asked to fill two additional turns of service.
- Turns of service are calculated by family, not by number of children enrolled or participating.
- There will be an opportunity to sign up for dates/slots prior to and during each season.
- Advance signup is essential, as it will eliminate the need for follow-up contacts, or scrambling to cover unfilled slots.

Note: In order for the concession stand to be fully staffed for all games, all or some will have to fill more than the requested turns of service. (There are approximately 60 home volleyball and basketball games, and five individuals are needed to work each game.) Signing up for more than the requested number of turns is greatly appreciated!

- Sign up is online via [signupgenius](#)
- Sign up details for each season are provided through weekly and monthly updates
- Families are asked to sign up as soon as possible
- Family slots, or additional slots, may be filled by GPL students or extended family members (grandparents, aunts, uncles, etc.)
- If unable to sign up online or serve when scheduled, families should contact Karen Miller at 605-886-0672 or gplhs@gplhs.org
- Instructions for service will be provided.

* Volunteers get either free admission or \$6 in concessions when they work. If choosing free admission, let the admission table know that you are a concession volunteer for the day's event.

** After the first game, times are approximate.

*** If possible, please serve during the breaks before and after your selected game.
